

PROPOSAL FORM

TO: HAMILTON TOWNSHIP MUNICIPAL AUTHORITY
FRANKLIN COUNTY, PENNSYLVANIA

ATTENTION: Mr. Harry N. Fix, Chairman

Gentlemen:

In conformance with the Plans, Contract Documents, and any addenda issued prior to the time of bidding as prepared by Arrowood, Incorporated, Consulting Engineers, 2400 Philadelphia Avenue, Chambersburg, Pennsylvania 17201, for or incidental to the construction of the project as described in the Contract Documents, the undersigned submits this proposal with the understanding that the Owner reserves the right to reject any or all bids.

This Contractor is bidding Contract No. 1 ☒
Contract No. 2 ☒
Contract No. 3 ☒
Contract No. 4 ☒
Alternate No. 1 ☒
Contract No. 5 ☐
Alternate No. 5A ☐
Alternate No. 5B ☐

- NOTES: (1) The Bidder's attention is called to the fact that all blank spaces must be filled in; otherwise, his proposal may be rejected.
- (2) Bids must be submitted on the proposal form furnished to prospective bidders with the other Contract Documents.
- (3) All prices shall include sales tax, other taxes, and fees as applicable.
- (4) Write out in words the unit price quoted in the blank space provided below each bid item.
- (5) Bidders for Contracts No. 1, 2, 3, and 4 are advised that they have an option as to the types of gravity and pressure sewer pipe to be furnished. The options are as follows:

A. Gravity Sewer Pipe Options

- (1) VCPX - Extra strength clay pipe conforming to ASTM C700 and NCP1 ER-4-67 with compression joints conforming to ASTM C-425, Type III.
- (2) Asbestos - Cement Gravity Sewer Pipe - Furnished in load class with compression type joints all as specified with Class 2400 being the minimum.
- (3) ABS Truss Pipe with solvent weld joints furnished in the class specified.
- (4) PVC Gravity Sewer Pipe with bell and spigot joints conforming to ASTM D-3034, SDR 35 all as specified.
- (5) Reinforced concrete pipe conforming to ASTM C76, Class III, bell and spigot type joint with steel joint ring, as specified elsewhere herein.
- (6) Bidders for Contract No. 5 (Pumping Stations) will have the option for selection of pipe type and material conditioned by the following:
 - a. Pipe type and material specified on drawings or dictated by Equipment Requirements.
 - b. Pipe type and material for gravity pipelines must match the material used by the appropriate connecting pipelines Contract (1, 2, 3, & 4).
 - c. Pipe type and material for pressure pipelines must match the material used by the appropriate connecting pipeline Contract (1, 2, 3, or 4), except to the extent the Contractor may elect to use a standard adapter should there result a difference in pipe type and material.
- (7) The following is a listing of the applicable major payment items set forth in the proposals. It is provided for convenience only and shall not be deemed to be complete.
 1. Gravity Pipelines by size and depth classification. Items included in the unit price bid are as follows:
 - a. Erosion and Sedimentation Control
 - b. Removal and Storage of Topsoil
 - c. Sheet piling, Shoring and Bracing
 - d. Excavation (Unclassified)
 - e. Dewatering
 - f. Supply and Install Pipe
 - g. Backfilling
 - h. Safety and Traffic Control
 - i. Testing
 - j. Concrete Thrust Blocks

(3) PVC (Polyvinyl Chloride) Pressure Sewer Pipe, Class 150, SDR-18 conforming to AWWA-C-900 for PVC pipe, and to Uni-Bell Standards UNI-B-2-72, with bell and spigot gasketed joints. .

(4) Ductile Iron Pipe - ASA specifications A21-51 with tyton joint.

All materials and installation of pressure pipe and fittings for the options selected shall conform to the Specifications and Drawings. Installation shall be in accordance with procedures specified for the option selected.

C. Time for Completion and Liquidated Damages

- (1) Time for completion for the entire project shall be 540 consecutive calendar days from the date specified in the Notice to Proceed.
- (2) The damage and loss to the Owner resulting from failure of the Contractor(s) to complete the work within the time specified, plus any approval extensions of time, shall be liquidated at the rate indicated below for each contract for each calendar day in excess of the contract time allowed:

UNITED STATES DEPARTMENT OF AGRICULTURE
FARMERS HOME ADMINISTRATION

Form FHA 400-6
(Rev. 2-17-71)

COMPLIANCE STATEMENT

This statement relates to a proposed contract with _____

HAMILTON TOWNSHIP MUNICIPAL AUTHORITY
(Name of borrower or grantee)

who expects to finance the contract with assistance from the Farmers Home Administration, United States Department of Agriculture. I am the undersigned bidder or prospective contractor. I represent that - - -

1. I ☒ have, ☐ have not, participated in a previous contract or subcontract subject to executive order 11246 (regarding equal employment opportunity) or a preceding similar Executive order.
2. If I have participated in such a contract or subcontract, I ☒ have, ☐ have not, filed all compliance reports that I have been required to file in connection with the contract or subcontract.

If the proposed contract is for \$50,000 or more and I have 50 or more employees, I also represent that - - -

3. I ☒ have, ☐ have not previously had contracts subject to the written affirmative action program requirements of the Secretary of Labor.
4. If I have participated in such a contract or subcontract, I ☒ have, ☐ have not, developed and placed on file at each establishment affirmative action programs as required by the rules and regulations of the Secretary of Labor.

I understand that if I have failed to file any compliance reports that have been required of me, I am not eligible and will not be eligible to have my bid considered or to enter into the proposed contract unless and until I make an arrangement regarding such reports that is satisfactory to the Farmers Home Administration or to the office where the reports are required to be filed.

I also certify that I do not maintain or provide for my employees any segregated facilities at any of my establishments, and that I do not permit my employees to perform their services at any location, under my control, where segregated facilities are maintained. I certify further that I will not maintain or provide for my employees any segregated facilities at any of my establishments, and that I will not permit my employees to perform their services at any location, under my control, where segregated facilities are maintained. I agree that a breach of this certification is a violation of the Equal Opportunity clause in my contract. As used in this certification, the term "segregated facilities" means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, creed, color, or national origin, because of habit, local custom, or otherwise. I further agree that (except where I have obtained identical certifications for proposed subcontractors for specific time periods) I will obtain identical certifications from proposed subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the Equal Opportunity clause; that I will retain such certifications in my files; and that I will forward the following notice to such proposed subcontractors (except where the proposed subcontractors have submitted identical certifications for specific time periods): (See Reverse).

**NOTICE TO PROSPECTIVE SUBCONTRACTORS OF REQUIREMENTS FOR
CERTIFICATIONS OF NON-SEGREGATED FACILITIES**

A certification of Nonsegregated Facilities, as required by the May 9, 1967, order (32F.R. 7439, May 19, 1967) on Elimination of Segregated Facilities, by the Secretary of Labor, must be submitted prior to the award of a subcontract exceeding \$10,000 which is not exempt from the provisions of the Equal Opportunity clause. The certification may be submitted either for each subcontract or for all subcontracts during a period (i.e., quarterly, semiannually, or annually).

NOTE: The penalty for making false statements in offers is prescribed in 18 U.S.C. 1001.
